

PAUPERS' BODIES ARE DISSECTED.

The City Must Turn Them Over to a Colored Medical College.

A LAW THAT CREATES A STIR.

Looking to Frost to Advance the Price of Cotton—Senator Butler Speaks at Raleigh—Atwater to Declare for White Government.

RALEIGH, N. C., October 7.—Special—The fusion law of refusing to allow the city to bury the poor, but instead turning the bodies over to the Shaw Medical College (colored) is creating quite a stir here. It was noted a few days ago that the bodies from the insane asylums would not be allowed to be buried by the State but would be given to the medical colleges. This created quite a stir, but now it is being brought even closer home when it touches upon the poor, for daily the city is called upon for help at least in burying some poor person.

Here this week two mothers have been told they must at least secure part of the money to defray the burial expenses of their little ones or they must go to the colored medical college.

ARBITRARY RATES.

The Railroad Commission has decided that the Southern Express Company may, under the decisions of the Supreme Court, make one shanner pay all charges on his freight, while a different rule is pursued with certain other customers. This decision was rendered in the suit of Kerner Brothers, of Winston-Salem.

COTTON.

Cotton men are watching the weather closely. Frost within the next two weeks will advance the price of cotton very much.

Fayetteville is trying to get the government to establish one of the winter camps there.

News reached here yesterday of the death of Mrs. Mervier, wife of President Mervier of Shaw University (colored). She died at her old home in Massachusetts after a very brief illness.

The Western Union Telegraph Company will to-day have their appeal against the decision of the Railroad Commission heard before Judge Simonson, in Charleston, S. C.

Senator Butler and Chairman Thompson spoke here to-day.

Atwater, the independent candidate for Congress from this district, can have the support of the Democrats if he will come out boldly and declare for white government. If not, the Democrats will put a candidate in the field.

Atwater says the Democrats need name no candidate, for that when he begins his campaign on next Wednesday he will declare for white government.

MONEY REPAYED.

The State yesterday got \$600 from the government as part of the claim for money spent in mobilizing the State troops.

When returning from an excursion to Norfolk yesterday, a son of J. C. L. Harris had some trouble with a drunken negro on the train and the negro cut young Harris. The wound had to be sewed up by a physician.

The Second Regiment will probably be paid off this week for September. Those men who are not here will have their money held for them by the commanding officers. The furloughed men are returning to camp quite rapidly.

AN ELEGANT CHURCH.

The Good Shepherd congregation have given orders for work to begin on the new church to be built by this congregation. The church and trimmings will be all of Salisbury granite, which is very like the granite in the Confederate monument here. The interior will be of yellow brick with white marble pews, and it is to cost not less than \$20,000 nor more than \$25,000. It will be in the form of a cross. Dr. Pettigrew, the rector, last year brought the corner-stone from Jerusalem.

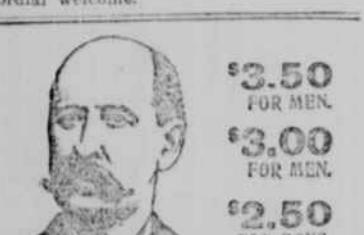

There are 20 students at the Agricultural and Mechanical College here, which goes over the number of last year.

Cotton is opening so rapidly that pickers enough cannot be had to keep it picked out.

It is now believed that the Democrats will hold a convention here and nominate a candidate for Congress for the Fourth district.

SERMON TO STUDENTS.

At the First Baptist church on Sunday morning Dr. Cooper will preach to the students of the city on the "Sorrow and Joy of Knowledge." A cordial invitation is extended to all students to come, and the assurance given of their cordial welcome.
